

The Force Baseball and Softball Club focuses on the development of the competitive ball players. The Force's indoor facility is a 10,000-sf baseball and softball training area. It is home to over 200 members that are exclusive to the Force family. Our advertising campaign is a tremendous way to raise funds for the club and players, and help build funds toward our scholarship program, improve our facilities, and partner with businesses in the community to help them advertise and grow their business as well.

The indoor facility accommodates thousands of people in and out of our facility on a weekly basis. Our facility is designed for the players to work on their craft and for the parents to relax in the comfort of our lounge area while they can socialize or enjoy their child's practice. The organization also has an outdoor field, (Force Field) on the highly visible corner of 96th and Harrison St. where over 10,000 cars per week pass by. The exposure that is available in this advertising opportunity for your business is a great value. Our program details and agreement terms are below:

Option 1: "Home Run"

For a 1 (one) year period for the full advertising package, which includes:

1. Indoor facility banner 3'x5'
